GLOBAL IMPACT

Supporting families as they relocate to Canada

In September of 2020 we welcomed the Tarin family from Afghanistan by way of Turkey. In November we helped the Tarin's settle into their new apartment thanks to your generous donations. Over the year they have continued to improve their english, explored the city and have come to enjoy their new home. During the fall the Tarin family will become financially independent but we will continue to walk alongside them as they continue to adapt and settle in Canada.
